

Nazarene Missions International Impact Awards

Purpose: Showcase and celebrate each individual church's creative involvement in NMI, specifically through implementation of the Five Areas of Impact: Praying, Engaging Children & Youth, Care & Connection, Giving to Alabaster, Giving to WEF.

Goal: To receive video entries from many of our 30,000 Nazarene churches around the world. Submitted videos will be used on social media to encourage creativity and participation in NMI. Winning videos from each region will be featured at the 2027 Global NMI Convention.
